- University Requirements
- WRA 101 or 195H[4]
- IAH 201-210[4]
- IAH 211 or higher[4]
- ISS 2xx[4]
- ISS 3xx[4]

(The distribution requirement of 2 of I/N/D must be met)

Major Requirements: ACC/FI/EC/CSE

- Major Requirements: ACC 230[3]
- Major Requirements: MTH/STT
- EC 201[3]
- MTH 132[3]
- EC 202[3]
- MTH 133[4]
- FI 311[3]
- MTH 234[4]
- FI 321[3]
- CSE 231 or CMSE 201[4]
- MTH 360[3]
- MTH 361[3]
- MTH 361[3]
- STT 441[3]
- STT 442[3]
- STT 455[3]
- STT 456[3]
- MTH 458[3]
- STT 459[3]
- MTH 491A[3](Summer Internship)
- or approved substitution[3]
- MTH 491B[1](Teamwork Exp)
- or MTH 490[3](Directed Studies)
- (*Exam Prep Courses)

Total Credits for Required Courses: 103 - 106
Minimum Elective Credits Needed: 12 - 17
(Univ-20, CNS-19/22, ACC/FI/EC/CSE-19, Major-45/47) (Can be completed with a minor)

Advisors: Brian Chadwick (bchadwick@math.msu.edu) and Ron Powers (rpowers@math.msu.edu)

The Residency Requirement:
- At least 30 of the credits you use for your degree must be taken at MSU.
- At least 27 credits must be taken at MSU after you reach junior standing (56 credits).
- At least 20 credits must be taken at MSU while you are admitted to your major.
